# III INTERNATIONAL CONFERENCE «SCHOOL OF THE GASTRIC SURGERY»

2015 April 28–29, St Petersburg

## PROGRAM

2015 April 28

- 
- 8:00–9:00** Registration.
- 9:00–9:15** Opening of the conference.  
*Welcome by president of the Clinical hospital № 122 professor Y. NAKATIS*  
*Welcome by chief surgeon of St Petersburg professor P. YABLONSKIY*
- 9:15–9:30** The presentation of the patients
- 9:30–14:00** **“LIVE SURGERY” by Russian surgeons as a followers of Japanese surgical school.**
- Laparoscopic gastrectomy with D2 lymph node dissection
  - Thoraco-laparoscopic esophagectomy
  - Laparoscopic gastric bypass
  - EUS for staging of gastric cancer
  - ESD for gastric lesion
- 14:00–14:30** *Coffee-break.*
- 14:30–18:00** **SYMPOSIUM: “Current issues of the pathology in gastric cancer”**
- 
- Chair:** *T. Shimoda, S.L. Vorobyov, R. V. Orlova*
- 14:30–15:00** *T. Shimoda* **“Macroscopic findings of early gastric cancer related with microscopic features”.**
- 15:00–15:15** *Discussion*
- 15:15–15:45** *S.L. Vorobyov* **“Barrett’s Esophagus: terminology, morphological monitoring”.**
- 15:45–16:00** *Discussion*
- 16:00–16:30** *K. V. Shelekhova* **“Morphological diagnosis of fibroid polyps of the stomach”.**
- 16:45–17:15** *T. Shimoda* **“Biopsy diagnosis of gastric cancer and endoscopic features”.**
- 17:15–17:30** *Discussion*
- 17:30–18:00** **Case conference of gastric cancer with pathologist, endoscopist and surgeon**  
*T. Shimoda, S.L. Vorobyov, R. V. Orlova*

2015 April 29

---

Morning lecture

9:00–10:00 *I. Uyama* “Minimally invasive gastrectomy: our experience and future perspectives”

10:00–12:30 **SYMPOSIUM: “D2 lymph node dissection”**

---

*Chair: T. Shimoda, S.L. Vorobyov, R.V. Orlova*

10:00–10:30 **Key note lecture № 1:**

*M. Nakauchi, K. Suda, I. Uyama* “Totally laparoscopic gastrectomy: tips and tricks for D2 dissection”.

10:30–11:00 *A.M. Karachun* “The technique of the lymph node dissection during laparoscopic gastrectomy”.

11:00–11:15 *V. Kashchenko, K. Suda* “Different approaches to the suprapancreatic D2-lymph node dissection”.

11:15–11:45 *R.V. Orlova* “Lymphadenectomy in the neoadjuvant era”.

11:45–12:15 *T. Shimoda* “The prognostic significance of isolated tumor cells in the lymph nodes of gastric cancer patients”

12:15–12:30 *Discussion.*

12:30–13:00 *Lunch*

13:00–14:45 **SYMPOSIUM «Laparoscopic reconstruction after gastrectomy»**

---

*Chair: I. Uyama, M. Nakauchi, A.M. Karachun*

13:00–13:30 **Key note lecture № 2:**

*M. Nakauchi, K. Suda, I. Uyama* “Totally laparoscopic gastrectomy: tips and tricks for f intracorporeal anastomosis”.

13:30–14:00 *A.M. Karachun* “Technique of reconstructive stage during laparoscopic gastrectomy”.

14:00–14:30 *V. Kashchenko, K. Suda* “Algorithm for reconstructions after gastrectomy: recommendations of the Japanese Cancer Society”

14:30–14:45 *Discussion.*

14:45–15:00 *Coffee-break*

15:00–18:00 **SYMPOSIUM: Diagnosis and treatment of the non-epithelial esophageal and gastric tumors**

---

*Chair: T. Shimoda, R.V. Orlova, V. Kashchenko*

15:00–16:00 *T. Shimoda* “Histological diagnosis of neuroendocrine tumors”.

16:00–16:30 *E.G. Solonitsyn, O.B. Tkachenko* “Diagnosis non-epithelial esophageal and gastric tumors in the endosonography era”.

16:30–17:00 *V.G. Pishchik* “Thoracoscopic approach for non-epithelial esophageal tumors” (clinical cases)

17:00–17:30 *A.M. Karachun, Y.V. Pelipas* “Laparoscopic procedures for GIST: selection, operative technique”.

17:30–18:00 *R.V. Orlova* “Multimodal approach for GIST”

18:00 Closing of the conference.
